

PERMA INFO

Perma-Sharp was an American Company that had its charter revoked for failure to pay taxes in 1972. They once had plants in Australia, Israel, Scotland, Turkey and the US.

(from internet : www.theshavingroom.co.uk)

PERMA INFO

Scottish Perma-Sharp employed some of the engineers who developed the original stainless steel blades for Wilkinson Sword. Scottish Perma-Sharp used Sheffield steel and Wilkinson used Uddeholm (Super Sword-Edge).

(from internet : www.theshavingroom.co.uk)

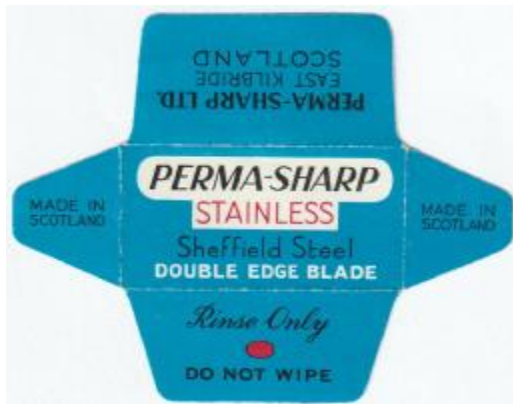

PERMA INFO

Perma Sharp Çelik Sanayi Aş of Istanbul is a vestige of that same company. They changed name to "DERBY" now.

(from internet : www.theshavingroom.co.uk)

Perma-Sharp produced also blades in Greece, Mexico, Tanzania, Ghana, Iran, India, Russia and (may be) some other countries
