GILLETTE

GILLETTE bought "WIZAMET" in ŁÓDŹ in 1992 and renamed them as "GILPOL". Razor blades production after not long time was moved to Czech Republic, India and Russia.

"Gillette" blades was produced only in small series. We know only 2 types (in one was two differences), may be project only

GILLETTE

box directly from factory with 5 blades

GILLETTE

001

was produced - I got full box from factory

GILLETTE

002

probably only project - wrapper direct from factory

GILLETTE

RUSSIA

GILLETTE

003

probably only project - wrapper direct from factory
