ABOUT FAKES		
In Turkey, like in many other countries (China, India, Argentina, Italy and s.o.) was made many fakes. Placing wrappers is therefore difficult. I attach file with boxes, hope that this can help in some cases.	Mark imitation example:	Graphic imitations example:
Country of origin imitation example:	This isn't of course an Gillette England product	used was graphic from Astor (Greece)
ANITA SOLINGEN GERMANY	blade from this wrapper:	TÜRK MALI is abreviated to T.M. (like Trade Mark), but using them in strange places can help. Using tipical Turkish big letter İ (for example ANİTA, ASORTİ), can help us, too
