

# ABOUT FAKES

In Turkey, like in many other countries (China, India, Argentina, Italy and s.o.) was made many fakes. Placing wrappers is therefore difficult. I attach file with boxes, hope that this can help in some cases.

This isn't of course an Gillette England product

blade from this wrapper:

used was graphic from Astor (Greece)

TÜRK MALI is abbreviated to T.M. (like Trade Mark), but using them in strange places can help. Using typical Turkish big letter İ (for example ANİTA, ASORTİ), can help us, too
