

## ABOUT FAKES

In Turkey, like in many other countries (China, India, Argentina, Italy and s.o.) was made many fakes. Placing wrappers is therefore difficult. I attach file with boxes, hope that this can help in some cases.

TÜRK MALI is abbreviated to T.M. (like Trada Mark), but using them in strange places can help. Using typical Turkish big letter İ (for example ANİTA, ASORTİ), can help us, too
